Exciting Changes Implemented:

Our practice continues to grow tremendously thanks to you, our patients. You are passionate about your care and have shown overwhelming support—which is evident through your abundant new patient referrals. Your devotion has resulted in an enormous growth for our office over the past year. In order to accommodate these needs, we are expanding our hours and staff availability.

Welcoming a Friendly Face! We are eager to welcome Dr. Kristen Doyle three days a week at our Jamison office. At the request of our patients, she has joined us on Mondays, Tuesdays and Thursdays along with Dr. Mark Feeney. More choices—greater availability to better serve you!

Open Early/Open Late! In response to overwhelming demand, we will be extending our office hours to include early morning appointments beginning at 7am on Tuesdays. We will continue to remain open until 7pm as previously scheduled.

Jamison Chiropractic: Always striving to give our patients what they need and want!

- Stay with the *award-winning doctors* who are *committed* to their patients and to their profession.
- As has been our policy in the past, we will remain steadfast in our course to stay "in-network" with insurance carriers, allowing our *patients* to receive the *highest benefit* levels.

Allow our doctors and staff to help you regain your health in our family-friendly atmosphere, where "Pain-free = Hassle-free" .

The following services are available:
