**Mark Feeney, DC, CCSMS - Kristen Doyle, DC**

**Jamison Chiropractic** offers comprehensive **treatment for athletes** of all ages. Our doctors are licensed members of the Pennsylvania Chiropractic Association and have been in practice for over twenty years serving Bucks County and the surrounding communities. Dr. Feeney has extensive training dealing with sports related injuries and is a *Certified Chiropractic Sports Medicine Specialist, Chiropractic Sports Injury Specialist, & Exercise Strength*

*& Conditioning Specialist.* He **specializes in IASTM technique**, which is more **commonly known as RockBlading**.

**IASTM:** Instrument-Assisted Soft Tissue Mobilization, can help treat many conditions and sports injuries. IASTM technique utilizes handheld tools to break down adhesions and restrictions that are too deep in the soft tissue to effectively treat by hand alone. RockBlading improves blood flow, promotes healing, mobility, flexibility and reduces pain & inflammation.

***Who Can Benefit?* CROSSFIT ATHLETES**

IASTM can benefit many conditions and sports injuries including: ***plantar fasciitis, sciatica, knee sprain/strain, rotator cuff injuries, shoulder capsule dysfunction, and more...***

*Chiropractic adjustments, therapies; insurance & self-pay options; no mandatory appointments, no contracts to sign*

**Dr. Mark Feeney and Dr. Kristen Doyle have been voted America's Best Chiropractors AGAIN for 2018!**
